

TOWN OF EAST HAMPTON

COMMUNITY CHOICE AGGREGATION

PUBLIC INFORMATION FORUMS

Community Choice Aggregation (CCA) can allow whole communities to participate in the clean energy economy by ensuring that a greater percentage of electricity is coming from renewable sources. CCA has the potential to deliver lower monthly bills and cleaner energy.

CCA is a program that allows local governments to procure power on behalf of their residents, businesses, and municipal accounts from an alternative supplier while still receiving transmission and distribution service from their existing utility provider.

Come learn about how a CCA could benefit East Hampton
